Ford
THE UNIVERSAL CAR

Most of the Gas Companies throughout the country use a fleet of Ford Runabouts. The same is true of other big corporations. The reasons are very practical. The Ford Runabout is the most economical solution of quick transportation from manufacturer to retailer. For soliciting business, for the Collector, for the Doctor, Contractor, Builder, and almost every other line of business activity, the Ford Runabout is really a necessity. We solicit your order for one or more. We ask your repair business. We would like your motor accessory business. We can serve you, we believe, to your best advantage.

A PHYSICIAN SAYS

That San Yak is the Most Efficient—Does Not Wear Out in Treating the Kidneys, Poor Blood, Rheumatism and Renewing the Body.

McBrides, Mich., July 7, 1919.
Burnham Medical Co.
Gentlemen:

San Yak will do all you claim—it is a fine medicine for anemia of the blood and has cured cases of rheumatism of long standing. When one doctors the kidneys he is renewing the whole body. One can always depend on San Yak.

Yours respectfully,
(Signed) L. P. Bailey, M. D.

J. P. White, ex-chief of police of Marion, Ind., and recently proprietor of the Hotel DeSoto, states as follows:

"San-Yak, yes, I know that medicine. I used four bottles while I was in Benton Harbor, Mich. I was subject to short breath, heart, kidney, bladder and liver troubles; bad blood. I am pleased to have an opportunity to recommend San Yak to my friends. It is a wonderful medicine and its claims are true. Yours with pleasure."
"J. B. White."

A dollar laid out to aid health is not an expenditure but a loan, which will be returned a hundred fold.

Mrs. F. E. Hildebrand, 889 Cot. Ave., Wabash, Ind.:

"The doctors said I had Bright's disease, and high blood pressure of 186. I was sick and dizzy, stiff and clumsy in my muscles. I was so weak I could scarcely walk. My daughter heard of San-Yak and sent me a bottle five years ago, and before the first bottle was gone I was feeling fine. San-Yak has cured me, and for the benefit of others you are welcome to the use of this letter."
